

First Grade Rocks!

Hi, Arnie!

I met you over Thanksgiving while my mom and I were visiting New York. When I got back to Kansas City, I gave each of my students an I ♥ NY t-shirt. They were so excited. We also watched a short video about New York. The kids were amazed by how many taxis are in the city. I told them I met

you while I was shopping at your bookstore. The kids wanted to write to you. So, I have done some "translating" for you (sometimes 1st graders writing is tough to read!)

Take care!
